Home Time Exams- 2019-20

Dear parents,

As you are aware, students of class 1 - 8 are to be promoted to the next class based on their prior assessments. However, we strongly feel that students not to be kept away from their studies and/or basic reading/writing skills and hence, we would like to conduct the Home Based Exams for them so that they can take the exam at home while in Quarantine and make use of their time and utilize their energy in a better way. Please find the time table attached herewith to be followed by the Question papers as per the given date/s.

- 1. Participation in these Home Time Examination (Final exams) is voluntary.**
- 2. Parents are expected to act as an exam invigilator to bring validity of the exams.**
- 3. Parents to ensure their convenient time for the conduction of the exam/s.**
- 4. Ensure that students solve all/maximum questions within the time.**
- 5. Kindly make sure to handover the answer scripts to the respective class teachers on the reopening day.**
