TO WHOM SO EVER IT IS CONCERN

This is to state that the school is not providing any TRANSPORT FACILITIES in the form of School Buses, Vans etc., and Car for Chairman/staff for the following reasons:

- This Institution is located at the central part of the city.
- Most of the students are from neighbouring areas and can cover the distance by walking or cycling as the case may be.
- Some parents are sending their children through private vehicles like autorikshaws and vans.
- Many parent have their own vehicles and hence drop their children to schools by themselves.
- The President and Director of the school possesses their own vehicles. School management is not providing any vehicle to any of the members of the management.
- Staff members come to school on their own by different transport modes.
- However concerned parties have been intimated to follow all transport safety rules as per orders of Regional Transport Commissioner, Nagpur.
