Dear Parent,

Kindly ensure that your child's Aadhar Card has the name & Date of Birth exactly as mentioned in his/ her birth certificate. Please note that in case of any discrepancy the child's Aadhar is not getting linked with the child's profile. You are requested to either update the Aadhar as per the birth certificate or change & get a new birth certificate with name as mentioned in Aadhar. In any case, submit the updated copy of the same in the school office.

Kindly ignore this, in case there are no problems or both are matching.

Regards

Mrs. Jayati Vasudeo
