SUB: Observing Earth Day on 22/04/2023

Dear Parent,

The world could run out of forests in 2100, food in 2050, and water in 2040. On this Earth Day 22/04/2023 we request all our parents to extend their support to the school by doing these activities at least for a day on 22nd April, 2023:

1. Spend time outdoor in nearby garden or park in the evening.
(Pre primary, Class I & II)
2. Water/tend (take care) to some indoor or outdoor plant.
(class III to V)
3. NO TV /MOBILE day (class VI -IX).
4. Reduce electricity use. (switch off everything for at least an hour)
5. Hang dry laundry & wash with cold water (No washing machine)
6. Conserve water (Fix any leakage or stop wastage of water)
7. Reduce food waste (with starvation on rise, saving soil and No food wastage is an important aspect)
8. Repair instead of replace.
9. Drive less and walk more.
10. Car pool day.

Regards
