SUBJECT – FINANCIAL LITERACY

Class VI - VII

TERM – I		TERM – II	
Activity	Objective	Activity	Objective
Classroom Market: Activity: Set up a classroom market where students can buy and sell items (e.g., school supplies, crafts) using play money.	Objective: Understand supply and demand, price setting, and basic economic transactions.	Savings Goals: Activity: Students create a savings goal chart for something they want to buy (e.g., a toy, book). They track their progress over a period.	Objective: Learn about the importance of saving and setting financial goals.

Class VIII-IX

TERM – I		TERM – II	
Activity	Objective	Activity	Objective
Entrepreneurship Project: Activity: Students form small groups to create a business plan for a small business. They present their plan to the class.	Objective: Encourage entrepreneurial thinking, financial planning, and teamwork.	Needs vs. Wants: Activity: Have students list items they consider needs and wants. Discuss the differences and why it's important to prioritize needs in budgeting.	Objective: Understand financial prioritization and decision-making.

Class X

TERM – I		TERM – II	
Activity	Objective	Activity	Objective
Entrepreneurship Project: Activity: Students form small groups to create a business plan for a small business. They present their plan to the class.	Objective: Encourage entrepreneurial thinking, financial planning, and teamwork.	Personal Finance Challenge: Activity: Organize a competition where students are given various financial scenarios (e.g., saving for college, buying a car) and must develop a plan to manage these scenarios effectively.	Objective: Apply comprehensive financial knowledge to real-life situations.
