HEALTH IS WEALTH: Caring for Tomorrow at Kids World School, Nagpur

1. Health Check-up Camp: A Step Towards Well-being

On the 12th and 13th of February 2024, Kids World School, Nagpur, conducted a significant health check-up camp for its students, emphasizing the importance of regular health monitoring. The camp saw the participation of 574 students, with 327 students examined on the first day and 247 on the second day, covering a wide range of age groups, from Nursery to Class X.

The medical examinations were led by **Dr. Abhilash Tripathi**, a highly experienced M.D. in Homeopathy and a faculty member at VNIT. His thorough examination of each student ensured that every health concern was carefully addressed. Dr. Tripathi's expertise and dedication instilled confidence in both the students and staff, reinforcing the school's commitment to maintaining the well-being of its students.

Each student received a personalized health card, which detailed their medical history and any specific recommendations, fostering a sense of ownership over their health. The camp not only focused on physical health but also served as an educational opportunity, teaching students about maintaining a healthy lifestyle, the importance of regular check-ups, and when to seek medical advice. This initiative empowers students to take responsibility for their health, instilling habits that will benefit them throughout their lives.

2. De-Worming Tablet Distribution: Ensuring Healthier Futures

On **17th February 2024**, in collaboration with the **Nagpur Municipal Corporation (NMC)**, Kids World School provided free de-worming tablets to the students as part of the national de-worming campaign. This campaign aimed to de-worm children and adolescents aged 1 to 19 years, ensuring their health and well-being.

Parents were invited to collect the tablets for their children between 8:30 a.m. and 2:30 p.m. on the day of distribution. The chewable tablets, which are recommended to be consumed after meals, were distributed along with instructions on possible side effects, including mild bowel issues or vomiting. Parents were advised to keep Oral Rehydration Solution (ORS) available in case of any adverse reactions.

A consent form was required from parents or guardians before the tablets were distributed, ensuring that they were informed and aware of the process. This initiative reflects the school's and the NMC's dedication to ensuring the health of children, helping to prevent parasitic infections and promote a healthier, brighter future for the next generation.

3. The distribution of Deworming pills and vaccination drive for Tetanus and Diphtheria was organised in collaboration with NMC on 11th December 2024 during school hours.
4. A Sickle Cell Test in association with Gorewada Primary Healthb Center was conducted for the students and staff of Kids World School on 24/07/2024. Prior to the test a written consent form was also collected.

Scout and Guide

1. **Kids World School Organizes a Successful Camp:** Kids World School hosted its annual Scout and Guide camp at the scenic **Achievers Adventure Camp**, located near Sausar in Madhya Pradesh. This enriching day-long excursion provided students with a unique opportunity to develop valuable life skills while enjoying the serenity of nature.

The camp followed military-style training methods designed to foster discipline, leadership, and essential life skills among the students. The activities focused on building a strong work ethic, responsibility, and teamwork — all fundamental values of the Scout and Guide program.

Engaging Activities:

- **Zip Line:** Offering students an exhilarating experience while testing their courage.
- **Trekking:** Encouraging physical endurance and an appreciation for nature.
- **Rappelling:** Providing a thrilling challenge that built confidence and strength.
- **Zip Cycling:** A fun activity that tested balance and agility.
- **Obstacle Courses:** Designed to assess physical fitness, agility, and problem-solving skills.
- **Map and Compass Navigation:** Introducing students to basic orienteering techniques, enhancing their directional skills.
- **First-aid Training:** Equipping students with essential emergency response skills.
- **Team-building Exercises:** Promoting collaboration, effective communication, and leadership.
- **Sing-alongs:** Fostering camaraderie and a sense of community among participants.

The students were provided with **nutritious meals** in a clean and well-maintained mess, along with excellent hospitality, ensuring that everyone was well-catered for throughout the day.

In recognition of their hard work and participation, the best campers, along with the accompanying staff, were **felicitated with saplings**, symbolizing their commitment to growth and responsibility.

The students embraced the challenges with enthusiasm and emerged from the camp with a **newfound appreciation for teamwork, discipline, and leadership**. The day trip not only provided them with fun and adventure but also equipped them with essential life skills that will benefit them in the future.

Community Outreach Activity

1. Kids World School Shines a Light on Community During Ramadan

In the true spirit of giving and community support, **Kids World School** extended a helping hand to the **Madina Masjid** during the holy month of **Ramadan**. The masjid, facing challenges with inadequate lighting during the dusk and dawn prayers, was in need of additional lighting to accommodate the increased number of worshippers.

Recognizing this need, **Kids World School** donated essential light fixtures, ensuring that the prayers during the holy month would be more comfortable and conducive to worship. This thoughtful gesture will not only benefit the masjid but will also improve the lighting in the surrounding community square near the school, creating a more welcoming atmosphere for all.

Mr. Abrar, an executive member of the masjid, expressed his heartfelt gratitude for the donation, saying, "We are incredibly thankful to Kids World School for their thoughtful donation. These new lights will make a significant difference, especially during the long prayer hours of Ramadan. We will keep all the members of the school in our prayers throughout the holy month."

This generous act by Kids World School serves as a shining example of the power of community spirit. It underscores the importance of unity, kindness, and cooperation—reminding us that regardless of background, we can all contribute to making our world a better place.

2. World Day Against Child Labour: Empowering Young Minds

On **World Day Against Child Labour**, Kids World School organized a special event to connect with the children of migrant laborers, who were spending their summer vacation with their parents in the area. The aim of the event was to raise awareness about child labor and provide these children with an understanding of office culture, as well as an opportunity to dream of a better future.

Mrs. Jayati A. Vasudeo, the Director Principal of the school, interacted with the children, asking them about their aspirations and current education. This heartwarming exchange inspired the children to see their education as a stepping stone to a brighter future.

Additionally, **Mr. Salman Khan**, an office executive at the school, introduced the children to basic computer skills, teaching them how to use simple programs like **Microsoft Paint**. This session was designed to help them develop digital literacy, a vital skill in today's world.

Mrs. Kirti Sharma, the Head Mistress, along with **Mrs. Arshiya Sheikh**, **Mrs. Qamrun Nisa Khan**, and **Mrs. Ruchi Mishra**, played an integral role in distributing educational materials, including books and pencils, along with refreshments like **Frooti**, ensuring the children had both the resources to learn and a fun experience.

Through this initiative, Kids World School continues to demonstrate its commitment to social responsibility, providing support and inspiration to underprivileged children, offering them opportunities to learn, grow, and aspire for a brighter future.

3. Heartwarming Community Service by Kids World School Students!

Our talented students from the **Social and Drama Club** of Class IX made a difference by visiting the **Vidarbha Sahayata Samiti's Balasadan Orphanage** on **Katol Road**, Nagpur. During this touching visit, the students tied **rakhis** on the wrists of the orphaned children, symbolizing love and protection, and treated them to a lively **cultural program**.

Their visit brought immense joy and warmth to the children, filling the orphanage with laughter, love, and a sense of connection. The students' compassionate efforts served as a reminder of the power of kindness and the impact of community spirit.

A heartfelt congratulations to our students for spreading love and joy in the community! Their efforts in making this visit memorable truly reflect the values of empathy, kindness, and social responsibility that Kids World School stands for.

Excursion

1. Kids World School Takes Students on a Day of Exploration!

Students from **Nursery to Class V** at **Kids World School** embarked on an exciting and educational day trip, filled with fun, learning, and adventure. The day began at the **Maharaj Bagh Zoo**, where the children had the opportunity to explore a wide variety of animals and birds. From the majestic tigers to the colorful parrots, the students were able to witness nature up close, sparking curiosity and excitement about the animal kingdom.

The fun didn't stop at the zoo. Students enjoyed an exciting selection of amusement rides, ranging from thrilling roller coasters to cheerful carousels, offering a lighthearted break from their explorations.

Next, the group ventured into the **fish aquarium**, where they marveled at the vibrant and diverse underwater world. The students were fascinated by the different species of fish and other aquatic creatures, which surely sparked discussions about marine life and ecosystems.

The day was packed with entertainment as well. After the aquarium, the students had a chance to unwind with a fun movie, allowing them to relax and enjoy some downtime. They also enjoyed the chance to jump on trampolines, releasing their energy and having fun in a playful way.

The excursion concluded with a visit to the **Railway Museum**, where the students explored the rich history of transportation. They had the chance to ride a train with their teachers, making the experience even more special. The museum's collection of historic engines gave the students a glimpse into the past, bringing history to life.

This day trip was a well-rounded and enriching experience for the students, combining elements of nature, history, entertainment, and physical activity. It was truly a day of exploration and discovery that they will remember for years to come.

2. A Journey to Space: Students Explore the Wonders of the Cosmos

On **19th March 2024**, students from **Class VI to IX** at **Kids World School** embarked on an exciting journey to the **Anjuman College of Engineering & Technology**. In collaboration with **VIBHA** and **ISRO**, the college hosted an extraordinary mobile exhibition titled "**SPACE ON WHEELS: A Journey to Space for Everyone (Antariksha Mahayatra)**", bringing the wonders of space exploration to the students' doorstep.

From **8:00 a.m. to 9:00 a.m.**, the students had the incredible opportunity to immerse themselves in a world of **satellites, launching vehicles, and communication systems**. The exhibition featured sophisticated models that vividly illustrated the mysteries of the cosmos, offering a hands-on, immersive learning experience that captivated the young minds.

The goal of the exhibition was to make space exploration accessible to all, particularly to young learners, by bringing cutting-edge space science right to the school community. The mobile vehicle itself, a testament to human ingenuity, showcased the boundless possibilities of space exploration.

Both the students and teachers were captivated by the exhibit, with many describing the experience as transformative and enlightening. The journey through space sparked a deep sense of curiosity and ignited a passion for scientific discovery, encouraging the students to explore the universe and its countless wonders.

Overall, the "**SPACE ON WHEELS**" exhibition proved to be an unforgettable experience, leaving the students inspired and motivated to continue their journey of learning about the vast and mysterious universe.

Empowering Education

Kids World School's NEP 2020 Aligned Internship Program for Class VIII Students

Date: 05/04/2024

Kids World School has taken an innovative step forward in implementing the **National Education Policy (NEP) 2020** by organizing a hands-on internship program for **Class VIII students**. In alignment with NEP 2020's emphasis on real-world experience and holistic education, the program provided selected students with two days of immersive exposure to professional environments, allowing them to bridge classroom learning with practical applications.

The carefully designed internship opportunities were held in **April 2024** and included placements at reputable establishments like **Westside, Sadar Nagpur, Lakme Academy, Pantaloons Store- Sadar, Critizone Hospital- Jafar Nagar**. These placements aimed to give students a taste of various industries, from retail and business to personal care and artistic fields, enabling them to explore different professional avenues.

Throughout the internships, students worked closely with professionals, gaining mentorship, and actively participating in the daily operations of these institutions. This experience offered students an in-depth understanding of industry standards, practices, and the skills required in real-world settings. By observing professionals and contributing to tasks, students experienced firsthand the relevance of their academic knowledge in practical scenarios.

The program not only enhanced **employability skills** but also inspired **curiosity and innovation** among students. They returned from the internships with a renewed perspective on their subjects and a deeper appreciation for the complexities of the professional world. This transformative experience served as a bridge between theoretical learning and practical application, fostering both personal and intellectual growth.

The internship program's success is a testament to **Kids World School's commitment** to providing its students with experiential and holistic learning opportunities, ensuring they are well-prepared for the challenges and possibilities of the future. Through initiatives like this, the school continues to embody the vision of **NEP 2020**, shaping students into curious, skilled, and adaptable individuals ready for the demands of the 21st century.

INSERVICE TRAINING

Kids World School Hosts Professional Development Training Programs for Teaching Staff

Dates:

- *School Cinema Training*: 18th June 2024
- *Oxford Advantage Training*: 19th and 20th June 2024
- *Strengthening Assessment and Evaluation Practices*: 1st and 2nd October 2024

Kids World School organized several in-house training programs to advance the professional skills and teaching methodologies of its educators. These programs were designed to ensure that teachers are well-equipped to deliver high-quality education that aligns with the latest standards and educational practices.

Key Highlights of the Training Programs

1. **Life Skills Development (18th June 2024)**: The entire teaching staff engaged in a School Cinema training session focused on imparting essential life skills to students. The training covered key areas like problem-solving, critical thinking, effective communication, and emotional intelligence. Teachers were equipped with techniques to integrate these skills into their lessons, contributing to students' overall development and future readiness.
2. **Diversity in the Classroom (19th June 2024)**: Emphasizing the importance of inclusivity, this training session focused on strategies for creating a diverse and supportive classroom environment. Teachers, particularly from the foundational stage, learned to recognize and embrace each student's unique background, equipping them with approaches to adapt their teaching styles to meet diverse learning needs effectively.
3. **Teaching Pedagogy Using Oxford Advantage (20th June 2024)**: A dedicated session introduced foundational stage teachers to Oxford Advantage's educational tools and resources, including curriculum content, digital assets, assessments, and continuous professional development options. MISCELLENOUS

Triumph Against Odds: Niyati's Determination Shines Through Adversity, Scores 91% in AISSE

In a remarkable display of resilience and determination, Ms. Niyati Kadam, a student at Kids World School, Nagpur, overcame significant challenges during her AISSE exams. While preparing for her exams, Ms. Niyati faced a severe viral infection and hypotension, leading to her hospitalization and forcing her to miss three crucial days of preparation for her Mathematics paper.

Mathematics, known for its demanding nature and need for consistent practice, became an even greater challenge under these circumstances. Discharged from the hospital on March 10, 2024, Ms. Kadam had only a few hours to revise for the exam. Despite these setbacks, her dedication and perseverance carried her through.

Defying all odds, Ms. Kadam scored an impressive 81 out of 100 in Mathematics, contributing to her outstanding overall percentage of 91% in the All India Secondary School

Examination (AISSE). Her success is a true testament to her hard work, resilience, and ability to push through adversity.

Ms. Kadam's story serves as an inspiration to students everywhere, demonstrating that with determination and resilience, one can triumph over the toughest of challenges.

Alumni Achievement

Kids World School proudly celebrates the remarkable accomplishments of its alumni, who continue to excel and bring pride to the institution through their dedication and success.

Arhaan Arif Sheikhan, from the 2019-2020 batch, achieved a significant milestone by clearing NEET (UG) 2024, securing a government seat for the MBBS course at Mahatma Gandhi Institute of Medical Sciences. To honor his accomplishment, Arhaan was felicitated in the Director Principal's office in the presence of students from Classes IX and X, inspiring them to pursue their academic goals with perseverance. The school management, including Director Principal Mrs. Jayati Avinash Vasudeo, School Headmistress Ms. Kirti Sharma, School Manager Mrs. Rupa Sharma, HOD of Mathematics Mr. Dipratna Kurve, and HOD of Science Mrs. Ruchi Tiwari, extended their heartfelt congratulations and best wishes for his future journey.

Ankit Bhardwaj, an alumnus of the 2017-18 batch, has secured a prestigious position at the Indian Space Research Organisation (ISRO). His achievement is a testament to his hard work and perseverance, reflecting the strong educational foundation and guidance provided at Kids World School. Ankit's success at ISRO serves as a source of inspiration for current students aspiring to make their mark in esteemed organizations.

These alumni accomplishments demonstrate Kids World School's commitment to nurturing future leaders, inspiring all students to achieve their highest potential through dedication and hard work.
