

KIDS WORLD SCHOOL
SESSION – 2025-26
ANNUAL CURRICULUM PLANNER
CLASS – X
SUBJECT – SEWA

Month	Name of the Activity	Learning Objective	Learning Outcomes	Teaching & Learning Planned Activities
July	Cleanliness Drive (School Campus)	To make students aware about importance of cleanliness and hygiene.	Students will understand the need for a clean environment and will take responsibility for cleanliness.	Discussion on hygiene, cleaning classrooms/playground, poster making on 'Clean India'.
August	Tree Plantation	To create awareness about environment conservation and benefits of trees.	Students will develop care for the environment and learn to protect natural resources.	Plantation of saplings in school/locality, maintaining plant diaries, making slogans.
September	Health Awareness Session	To spread awareness about healthy lifestyle and nutrition.	Students will adopt healthy habits and share knowledge with peers/family.	Guest talk by doctor/nurse, chart making on balanced diet, pledge for healthy living.
November	Being Safe and Responsible (First Aid Training)	To make students aware of basic first aid and safety measures.	Students will learn to handle minor injuries and emergencies responsibly.	Demonstration by teacher/health worker, practice of simple first aid, preparing a first aid kit.
December	Reduce, Recycle, Reuse and Respect	To encourage sustainable practices and respect for resources.	Students will understand waste management and apply the 4R's in daily life.	Making crafts from waste material, setting up recycle bins, awareness campaign in school.
