

**KIDS WORLD SCHOOL**  
**SESSION – 2025 - 26**  
**CLASS – IV**  
**ECO CLUB**

**Theme: Conserve Today, Survive Tomorrow**

**Duration: 4 Days**

<b>Day</b>	<b>Activity Title</b>	<b>Activity Details</b>	<b>Learning Outcomes</b>
<b>Day 1</b>	My Eco Bag – My Style	Students will design and craft paper bags using recycled paper to encourage eco-friendly practices and reduce plastic use.	Students will understand the importance of using eco-friendly materials by making paper bags, encouraging sustainable and environment-friendly habits.
<b>Day 2</b>	Think, Draw, Save!	Students will create impactful posters and slogans to spread awareness about saving electricity, water, and food, promoting responsible resource usage.	Students will develop awareness and creativity to promote the conservation of electricity, water, and food through impactful posters and slogans.
<b>Day 3</b>	Green Gold From Waste	Students will prepare compost using vegetable peels and organic waste to understand the process of recycling biodegradable materials and promoting sustainable waste management.	Students will learn how to convert kitchen waste like vegetable peels into natural manure, promoting sustainable waste management and eco-friendly practices.
<b>Day 4</b>	Chirp and Chew Station	Students will create bird feeders using waste or eco-friendly materials.	Students will learn to support and care for birds by creatively using waste materials to make bird feeders and nests, fostering environmental responsibility.
