

KIDS WORLD SCHOOL, NAGPUR
SESSION – 2026-27
CLASS – III
CULINARY CLUB

Sr. No.	Activity	Teaching Pedagogy	Curricular Goals	Competency	Expected Learning Outcome
01	“We Are Little Chefs” Activity	This activity is conducted through experiential and activity-based learning where students actively participate in preparing simple no-fire dishes in groups.	The goal is to develop life skills, healthy eating habits, and awareness of safe food practices among students.	It develops creativity, teamwork, communication skills, and basic food preparation skills.	Students will be able to prepare simple healthy snacks, work cooperatively in groups, and demonstrate basic kitchen hygiene and safety.
02	Healthy Tiffin Making Activity	This activity uses project-based and experiential learning where students plan and design a balanced and nutritious tiffin box.	The goal is to promote awareness of balanced diet and encourage healthy food choices in daily life.	It builds decision-making skills, planning ability, and nutritional awareness.	Students will be able to identify healthy food items and prepare a balanced tiffin with appropriate food choices.

03	Table Manners Activity	This activity is conducted through demonstration and role-play method to teach proper dining etiquette in real-life situations.	The goal is to develop social etiquette and good manners during meals.	It develops social behaviour, discipline, observation skills, and etiquette awareness.	Students will be able to demonstrate proper table manners such as sitting correctly, using utensils appropriately, and maintaining cleanliness.
04	.Nutrition Awareness Class	This class is conducted through inquiry-based learning, discussion, and visual aids to help students understand the importance of nutrition	The goal is to create awareness about balanced diet and healthy lifestyle choices.	It enhances critical thinking, awareness of health, and decision-making skills.	Students will be able to distinguish between healthy and unhealthy food and understand the importance of a balanced diet for good health.
